The UVA board of visitors adopted a plan to dissolve all DEI programs on campus as well as all DEI offices and positions across the UVA system.

We should be very happy that we are not either UVA or Columbia.

The actions that our Board and our School have taken have put GMU in an immensely better position than either of those two schools.

Yep. But it wasn't easy. And more work to do.

Working on updates. Stand by.

If you just make more revisions to the "with revisions" document I can get it updated.

I'll finish [redacted] I think we should send two documents; the original and the revised. Much simpler

Apparently Perry was wrong. They were removed. But stand by for confirmation.

Confirmed. Our six were booted.

Cully, not urgent but wanted to see if you have time for a call to just update/check on three issues:

1. Bylaw revision.
2. DEI review.

Wow. Glad that we have not used race in admissions for over 20 years. And it is still good that we are being very sensitive to this and these issues.

We didn't pass a DEI resolution and GW hasn't played well on this. I suspect he is on their radar screen now.

The word I'm hearing is that Greg pushed back on DEI and antisemitism and other things and thus could be their next focus. He hasn't helped himself

I'm not sure what to believe
